

# 1st Place!

THE 18TH ANNUAL

**BEST OF ORANGE COUNTY 2011 WINNER**

## Best Taco

**Fan favorite:** "This isn't your typical taco stand. The food is delicious and unique. Love the blackened chicken tacos. Salmon tacos are amazing. Everything on the menu is great. You can't go wrong. Freshly made and healthy and oh, so tasty." – Robin Seligman, Huntington Beach

**Claim to fame:** There's no lard, MSG or preservatives in the cooking. While Taco Mesa has the requisite chicken and beef tacos, it also offer a variety of other options, such as carnitas pibil, which is pork infused with chili and citrus juices, and al pastor, grilled pork paired with pineapple. It recently has revamped the menu to focus more on organic ingredients, such as wild-caught fish and natural chicken and meats that are free of steroids, hormones and antibiotics.
